ABOUT US

QUBIK is the brainchild of extraordinary people with a vision to extend the benefits of gaming to individuals. A vision born out of the willingness to create growth opportunities for millions who are waiting to participate in this fast-growing **web 3.0** gaming ecosystem, but have been held back because of the costs involved, technical support and maintenance. With Qubik, those who aspire to be a part of the growing gaming world can do so with as little as **\$50**.

With a global mindset and reach, **QUBIK** will lead the universal crypto gaming lovers community. The project will develop **web 3.0** gaming farms with a hybrid state-of-the-art technology to overcome the significant problem faced by European and Asian HPC facilities.

ABOUT QUBIK

MISSION

Our mission is to extend the rewards of mining to a global community of individuals driven by the potential of the bright mining future. We aim to make this possible through our state-of-the-art infrastructure capabilities by building an open and shared community. Our ambition is to reach a target of mining **5 Bitcoin** daily in a span of one year. Imagine a time when this aspiration is achieved, and it supports **\$QBK** liquidity and market cap. As phases progress, we aim to create a marketplace that integrates **NFTs**, the **Metaverse**, thereby developing a cross-chain ecosystem.

VISION

To **empower** every individual and every organization in the blockchain ecosystem to achieve more through a bright and progressive mining framework. To provide **value** to the community through content and experiences like **NFTs** that aid the development of the **Metaverse**.

TYPES OF CRYPTOCURRENCIES

Cryptocurrencies are **digital assets** built on **blockchain technology**. Each type serves a unique purpose and plays a vital role in the growing crypto ecosystem.

1

MOTHER COIN (BITCOIN)

Bitcoin is the first and most trusted cryptocurrency. It is considered **digital gold** and a store of value with limited supply and high security.

2

FUNDAMENTAL COIN

These coins have strong use cases, **real-world utility**, and solid **blockchain infrastructure**. They form the foundation of the crypto market.

3

MEME COIN / MLM COIN

Meme coins are **community-driven** tokens inspired by trends and internet culture. MLM coins are designed for **network growth, rewards**, and mass adoption.

FUNDAMENTAL COIN

**BNB, ETHEREUM, SOLANA,
TRON, XRP, ADA, QUBIK & MORE**

Fundamental coins are the **backbone of the cryptocurrency market**. These coins have **strong technology, real-world utility**, active development, and a large user base. They provide **stability, trust, and long-term growth** potential to any crypto portfolio.

WHY FUNDAMENTAL COINS MATTER?

STRONG TECHNOLOGY

Built on robust
blockchain
infrastructure.

REAL-WORLD UTILITY

Solves real-world
problems and
drives adoption.

LARGE & ACTIVE COMMUNITY

Supported by millions
of users and global
developers.

HIGH LIQUIDITY
